- You hold a hold a Marine Communications VHF-SRC Radio Operators certificate. (ISSA VHF Qualifications are not accepted)
- You have all STCW 2010 certificates. (STCW certificates from after 2014 including the PSSA)
- A current medical fitness examination and a color blindness eyesight examination, allow the participant to safely perform the relevant duties on a yacht. Medical/eyesight examinations must be performed within the last two years from the time the certificate is being issued.

Sea Time Requirements

- You have documented evidence of 50 Days at Sea
- You have documented evidence of 3000nm boat experience at least 50% of which (1,500nm) of the total required sea time must be on a sailing yacht at sea
- You have documented evidence of 30 Night hours of boat experience at sea.

Sea time Requirements.

- Sea time must be on a yacht (at least 10m in length) which can be defined as a non-cargo carrying vessel for recreational or commercial charter purposes.
- You must be an active crew member at sea; therefore, a day is defined as a period of 8 consecutive hours.
 - We do not accept shipyard service and stand-by service as sea time.
- The term "at sea" is defined as being on a vessel outside of any harbor – natural or artificial – in which a cruising yacht could secure or anchor for a prolonged period.
- The nautical miles must be on genuine cruises or passages, not short-day trips. The candidate must have considerable time for actual vessel handling.
- If you have a sea time logbook, please scan copies of pages, and send them to us in one PDF document; make sure your name is at the top of each page prior to scanning.

- You may also use these documents: (you must be logged in to your IYT Account to access)
 - iyt testimonial for sea service
 - iyt candidate sea time form

Note: We will also accept military letters stating service days for seetime, however, each will be reviewed to ensure they have sufficient experience for the level of certificate they are requesting.
